**POLICY STATEMENT**

**MUSIC TUITION**

**1. INTRODUCTION**

To establish the policy for providing subsidised music tuition and transfer of charges to parents.

**2. THE SCHOOL**

2.1 The school will provide subsidised music instrument tuition adopting similar criteria to those used for free residential visits to Staffordshire Outdoor Education Centres – i.e. for parents whose children are eligible for free school meals and/or eligible for pupil premium funding. Parents of children concerned will be informed in writing at the beginning of the autumn term annually or upon admission regarding the availability of subsidised musical instrument tuition. The amount of the subsidy will depend on the number of eligible pupils per term.

2.2 Parents not eligible as specified in 2.1 will be notified of the costs for tuition and will be invoiced for the appropriate amount directly by the peripatetic music teachers.
