- To inform members of staff of the general educational needs of Looked After Children and to promote the involvement of these children in a wide variety of enrichment and educational support activities, for example in school homework clubs, extra-curricular activities, home reading schemes, school councils, etc.
- To act as an advocate for Looked After Children.
- To develop and monitor systems for liaising with carers, Vulnerable Children's Services and the Education Inclusion Department.
- To hold a supervisory brief for all Looked After Children, e.g. to ensure all relevant education and care information is available to school staff and carer(s) and that this information is kept up-to-date.
- To monitor the educational progress of Looked After Children in order to inform the school's development plan.
- To intervene if there is evidence of individual underachievement, absence from school or internal truancy.
- To seek out opportunities for personal development.

Work with Individual Looked After Children

- To enable the child to make a contribution to the educational aspects of their care plan.
- To help ensure that each pupil has a Personal Education Plan (the PEP should be initiated by the young person's social worker).
- To ensure that a home-school agreement is drawn up with the primary carer and signed by the social worker.

- To cascade training to school staff as appropriate.

d) The Name of a Governor with special responsibility for Looked After Children:

e) The Role of that Governor

The named governor will report to the Governing Body on an annual basis:

- A comparison of test scores as a discrete group, compared with other pupils
- The attendance of pupils as a discrete, compared with other pupils
- The level of fixed term/permanent exclusions
- Pupil destinations

The named governor should be satisfied that the school's policies and procedures ensure that looked-after pupils have equal access to:

- f) The national curriculum
- g) Public examinations
- h) Careers guidance
- i) Additional educational support
- j) Extra-curricular activities

f) Responsibility for Looked After Children in School

It is important that all teaching staff who are in contact with the child or young person are aware that he/she is being looked-after by the Local Authority. The responsibility for the transfer of this information should be that of the Headteacher and/or the Designated Teacher for Looked After Children.

It is appropriate for Learning Support Assistants/Teaching Assistants to have knowledge that the young person is being looked-after only when directly involved in the teaching of the young person.

In the absence of the usual class teacher, some information regarding the child's circumstances should be shared with the teacher covering the class. The extent of this sharing should be determined by the Headteacher or the Designated Teacher for Looked After Children.

g) Admission Arrangements

On admission, records (including the Personal Education Plan (PEP)) will be requested from the pupil's previous school and a meeting will be held with carer/parent/social worker. A date will be agreed upon for a new PEP. An appropriate school induction will take place.

h) Involving the Young Person

It is important that a young person is aware that information is being recorded regarding their personal circumstances. How this is shared with them clearly depends on their age and understanding. The explanation should emphasise that the school, the Social Worker and their carer(s) are working together to promote their education.

i) Communication with Other Agencies

Schools should ensure that a copy of all reports (e.g. end of year reports) should be forwarded to the young person's Social Worker in addition to the foster carer or Residential Social Worker.

Schools, Education Inclusion and the Vulnerable Children's Service should endeavour to co-ordinate information between formal reviews if there are significant changes in the young person's circumstances, e.g. if school is considering an exclusion, there is a change of care placement or there are significant attendance issues.

j) Assessment, Monitoring and Review Procedures

Each looked-after pupil will have a Care Plan that will include a Personal Education Plan (PEP) that the Social Worker takes a lead in developing. This will identify specific areas of concern and include achievable targets. Areas for consideration will include:

- Attendance.
- Achievement Record (academic or otherwise).
- Behaviour.
- Homework.
- Involvement in Extra Curricular Activities.
- Special Needs (if any).
- Development needs (short and long term development of skills, knowledge or subject areas and experiences).
- Long term plans and aspirations (targets including progress, career plans and aspirations).

The PEP will be updated at least every six months, as part of the Statutory Reviewing process carried out by the Vulnerable Children's Service.

The named governor will report annually to the Governing Body on the progress of all Looked After Children against the key indicators outlined above.

Signed on Behalf of the Governing Body:
