

Ryecroft's vision statement

We aim to be an outstanding school with Christian values, a school at the heart of our community, where all children thrive and where we all support each other to achieve our full potential.

SCHOOL AIMS....

- To provide children with opportunities and encouragement to achieve their full potential in all aspects of life at Ryecroft.
- To promote a caring community, based on traditional Christian values, which will ensure concern for others, mutual respect, tolerance, goodwill and good personal relationships.
- Nurture individual self-discipline and self-awareness through careful distribution of responsibilities and rewards.
- Offer our pupils a broad educational experience which stimulates all children to become independent learners.
- To ensure the school is a safe and secure environment 'where children grow.'

Ryecroft C. E. (C) Middle School is part of the Lichfield Diocese, click on the link below to be taken directly to their website.
