

GOVERNING BODY

Academic Year 2016-2017

The Instruments of Government for this school allows for a Governing Body of 15 members except at any time when the Headteacher has given notice that she/he chooses not to be a governor, when the total number of governors shall be 14.

The responsibilities of the Governors are wide ranging and cover issues of finance, curriculum, development and strategy, the maintenance of the grounds and buildings and matters relating to personnel.

Our Governors bring a great deal of expertise to the governing body; they play a key role in setting the strategic direction of our school and in providing the necessary support and challenge for our school's leadership team. As we continue on our improvement journey towards Outstanding, this role is absolutely crucial. Elections for Parent Governors' elections are held periodically as vacancies arise.
