Governing without committees

After deliberating the merits and benefits, governors approved on 6th July 2017 to dissolve Finance, STL and PPC committees. The new favoured structure, which came into effect from September 2017, is for a Full Governor meeting every half-term. Along with standing items the agenda items will align to key points in the school calendar – please refer to the below table.

The main benefits of this structure is that it enables all governors receiving the same information and will facilitate meetings and reports to be more succinct and precise
