Dear Parent / Carer

As you know, the school was recently visited by Ofsted on 1st and 2nd November 2017.

I am delighted to be able to share the final report with you, which is extremely positive and reflects on the hard work, effort and determination that has gone into moving the school forward.

I would like to take the opportunity to thank parents, pupils and staff for contributing their views over the course of the inspection, which gave valuable insights to the inspectors when they were making their judgements.

The report will be discussed with pupils during assembly time this week, but please take the time to talk to your child about the content of the report. The school and its 'GOOD' grading is the direct result of the endeavours and perseverance of every child and every adult who works to improve outcomes, provision and experiences on a daily basis. I sincerely hope that you and your child(ren) feel proud to be part of Ryecroft and the journey of the school. I know I am.

As you will see, the inspection also identifies areas for improvement and although we are tremendously pleased with our successes, there is so much more we want to achieve and develop for our pupils, in order to become an outstanding school. The points raised in the report will be incorporated into our School Development Plan.

If you have any queries regarding the attached report, please do not hesitate to contact the school office.

Thank you for your continued support.

Yours sincerely

Miss R Baramuszcak
