Dear Parents

As part of our enrichment programme and to enhance our English curriculum we have arranged for an amazing theatre visit for our pupils in Year 6, 7 and 8. On Thursday 14th December 2017 the pupils will visit The Repertory Theatre in Stoke on Trent to see 'A Christmas Carol'.

The performance is designed to help pupils engage with the characters and the story but also to inspire them to become creative learners – both physically and verbally. There will also be adventure, humour, ghostly-goings-on, live music, a sprinkling of snow and plenty of Christmas spirit!

Pupils should arrive at school as normal and full school uniform must be worn. We will be departing for the theatre at 9.15am for the 10.30am performance and will be returning back to school in time for lunch. Normal going home arrangements will apply.

Although this visit is open to all pupils, the school reserves the right to refuse participation to any pupil whose behaviour in school is judged unacceptable.

Part of the cost of this visit is subsidised, and therefore, we ask for a payment of £12.00 per child. Should the school receive insufficient funds then, unfortunately, the visit may have to be cancelled.

If you would like your child to take part in this visit, please fill in the slip below and return it to the office in an envelope clearly marked with your child's name and 'A Christmas Carol', together with £12.00 (cheques made payable to Ryecroft Middle School) **by Friday 13th October 2017.**

Yours sincerely,

Miss K Sargeant
Head of English
