Dear Parent / Carer

RE: KS3 Parkour Club

New and exciting physical activities are forever on the increase in the modern day world of sport and I feel that it is the perfect opportunity to increase one of these unique sports at Ryecroft. Therefore, I am excited to introduce an after school 'Parkour Club' for all Key Stage 3 students, starting after Easter on Wednesday 26th April 2017, 3.45-4.30pm.

Students will transfer key skills they have previously learnt in gymnastics, in addition to learning how to apply these techniques into performing and moving safely over equipment. Once students are showing their understanding and performing safely, I plan for them to produce a mini project where they will use iPads to film their performances outside, over school benches and using gym equipment, much like the 'real parkour' performances you may see on YouTube. But don't worry too much... they will not be doing any advance stunts such as jumping off school buildings!

If you would like your child to participate in this club, then can you please complete and return the slip before the first session on Wednesday 26th April.

Yours sincerely

Miss N Starkey
