11th July 2017

Dear Parents / Carers

Picturing Faith Day – Thursday 13th July 2017

I am pleased to inform you that on Thursday 13th July 2017, Ryecroft Middle School will be holding an Religious Educational event with various exciting workshops throughout the day. As part of this we hope to enable every child and adult to be involved in creating a permanent art mural for the school foyer. The project entitled 'Picturing Faith', will involve every individual in school creating a clay tile to produce a cohesive piece of work that will be displayed on the wall in our main reception area where visitors to the school will see it for years to come.

Throughout the day pupils will be involved in other art based workshops to do with images of faith and community. We hope the day will be a rich and rewarding event for all participants.

As we will be using clay it would be very helpful if pupils could please bring an old shirt or T-Shirt on the day to completely cover and protect their clothing. The day will also be a non-uniform day and would ask for a £1.00 donation to go towards a worthy cause.

As we know that we have some very creative parents and friends of the school, we would as always welcome adult volunteers to come and participate in the exciting events of the day.

Yours sincerely

Miss D Alston
Class Teacher / Lead for Religious Education
