Ryecroft C.E. Middle School
Ashbourne Road
Rocester
Staffordshire
ST14 5PB

6th March 2020

Dear Parent/Carer,

Re: Coronavirus (COVID-19) concerns

You are likely to be aware of the outbreak of novel coronavirus and the subsequent confirmed cases in the UK. At Ryecroft Middle School we take the health and safety of our pupils and staff very seriously, so we're sharing [guidance](#) from Public Health England on steps you should be taking.

There's currently no cause for concern at the school, but we'll keep you informed about any developments and ensure we're keeping the school clean to prevent the spread of any virus.

Prevent the spread of infection

Make sure you and your children follow these general principles to prevent spreading any respiratory virus:

- Wash your hands often – with soap and water for at least 20 seconds, or an alcohol-based sanitiser if soap and water aren't available
- Avoid touching your eyes, nose, and mouth with unwashed hands
- Avoid close contact with people who are sick
- If you feel unwell, stay at home and don't attend work or school
- Cover your cough or sneeze with a tissue, then throw the tissue in a bin
- Clean and disinfect frequently touched objects and surfaces in the home
- If you're worried about your symptoms, please call NHS 111 – don't go directly to your GP or other healthcare environment

If you or your children have returned from a category 1 country or area in past 14 days

This includes:

- Wuhan city and Hubei province, China
- Any Italian town under containment measures
- Iran*
- Daegu or Cheongdo, South Korea*

* Only if you've returned on or after 19 February 2020

Contact NHS 111 for advice, and:

- Self-isolate for 14 days after leaving the country or area (see the [home isolation advice sheet](https://www.gov.uk/government/publications/wuhan-novel-coronavirus-self-isolation-for-patients-undergoing-testing/advice-sheet-home-isolation) for help with this at <https://www.gov.uk/government/publications/wuhan-novel-coronavirus-self-isolation-for-patients-undergoing-testing/advice-sheet-home-isolation>)
- If you become unwell, call NHS 111 immediately for an assessment (or 999 if you require emergency medical attention) – see below for the symptoms to look out for

UTTOXETER LEARNING TRUST

Part of the Uttoxeter Learning Trust

Company Number: 10547353

Registered Office Address:

Uttoxeter Learning Trust

Thomas Alleyne's High School

Dove Bank, Uttoxeter, Staffs

ST14 8DU

T: 01889 561820

If you or your children have returned from a category 2 country or area in last 14 days

This includes:

- › China (other than Wuhan city or Hubei province)
- › Japan
- › Malaysia
- › South Korea (other than Daegu or Cheongdo)
- › Vietnam
- › Italy: north* (see the map [here](#)) <https://www.gov.uk/government/publications/covid-19-specified-countries-and-areas> *Only if you've returned on or after 19 February 2020
- › Cambodia
- › Laos
- › Myanmar
- › Taiwan
- › Hong Kong
- › Macau
- › Singapore
- › Thailand

If you or your children are well:

- › You don't need to avoid contact with other people
- › Your other family members don't need to take any precautions or make any changes to their own activities

If you become unwell (see below for a list of symptoms):

- › Stay indoors and avoid contact with other people as you would with other flu viruses (see the [home isolation advice sheet](#) for help with this)
- › Call NHS 111 immediately for an assessment (or 999 if you require emergency medical attention)

Symptoms to look out for

If you've returned from any of the category 1 or 2 areas or countries, look out for the following symptoms:

- › Cough
- › Difficulty in breathing
- › Fever (a temperature of 38 degrees C or higher)

According to other [official guidance](#), while you wait for further advice:

- › Avoid contact with others
- › Stay at home – don't go to work or school
- › Don't travel while sick
- › Cover your mouth and nose with a tissue or your sleeve (not your hands) when coughing or sneezing, throwing tissues in the bin
- › Wash your hands often with soap and water for at least 20 seconds (or an alcohol-based sanitiser if soap and water aren't available)

If you or your child have any further concerns or questions, please do not hesitate to contact me. Please ensure that the school has your most recent contact details so that our records are up-to date and correct. **We continue to monitor the safety and well-being of our students regarding future trips and activities and will keep in close contact with Parents / Carers as any matters arise.**

Yours sincerely,

Miss R Baramuszcak
