12<sup>th</sup> February 2020

Dear Parents/Carers

## Future Intentions (Careers) Week

During the week commencing Monday 2<sup>nd</sup> March 2020, we will be running two special days for your children focussing on their future intentions and aspirations. **Wednesday 4<sup>th</sup> March** will be a dedicated future intentions (careers) day, in which pupils will be taking part in bespoke sessions, watching demonstrations and gaining a valuable insight a range of possible career pathways, delivered by external agencies, visitors and volunteers. **Thursday 5<sup>th</sup> March** will combine World Book Day with our future intentions theme, to provide yet another fun and informative day for our pupils, linked with the world of work in English.

The activities will predominantly run over 30-60 minutes to a class of 20-30 pupils at a time and the aim is to open our pupils' minds to the numerous opportunities that lie ahead of them, raising their aspirations and providing the motivation and support to make informed decisions that enable them to achieve their best in life.

We aim to hold an event such as this during each term and as always the only way to ensure these days are successful for your child is to gain support from our friends, families and local community. **Therefore, if you can offer any assistance, or know of someone who can help deliver a short presentation, assembly or demonstration please get in touch.** We still have some availability during the 4<sup>th</sup> March and your help and ideas would be greatly appreciated, no matter how big or small.

If you are interested in helping, or have any queries or concerns please contact the school office to arrange to speak to me in order to answer any questions.

Thank you for your anticipated support.

Yours sincerely

**Mr A Hughes**  
**Head of Maths & Whole School Careers Lead**
