30th January 2020

Dear Parents/Carers

NSPCC Number Day - Thursday 6th February 2020

As part of our continued commitment to support a variety of charities throughout the year, we have signed up to support the NSPCC during their annual Number Day event on **Thursday 6th February**.

This day will provide our pupils with the exciting opportunity to participate in a range of different numeracy based activities across the whole curriculum, challenging their problem solving skills, building resilience and encouraging teamwork and perseverance.

In an extra, fun twist the whole school will be encouraged to take part in the maths themed fancy dress competition. Pupils can dress up as their favourite number, digit or maths symbol, a famous mathematician or even their TTRockstars avatar, with prizes for the most imaginative and creative outfits to be awarded during our special Number Day Celebration Assembly.

To help raise money for the NSPCC, we are asking for a small donation of £1.00 and we'd love everyone in the school to take part in this special event. We are looking forward to seeing all of your amazing costumes. **Donations can be made through your ParentPay account.**

All the money we donate to the NSPCC will help to fund their vital services such as ChildLine and the NSPCC Speak out Stay safe Programme, making an enormous difference to children today and to the lives of children tomorrow.

We are very lucky at Ryecroft to have a group of pupils who are aware of and concerned with the current issues and challenges faced by children all around the country. We are proud to be able to help support the NSPCC in any way possible in their fight against child cruelty, neglect and abuse- every penny will make a difference to those less fortunate than our own children.

If you have any queries, concerns, or fund raising suggestions please contact the school office to arrange to speak to me in order to answer any questions.

Thank you for your continued support.

Yours sincerely

A Hughes
Head of Mathematics
