9th January 2020

Dear Parents/Carers

Science, Technology, Engineering and Mathematics (STEM) Event

I'm pleased to be able to write to you about an exciting event for all Year 5 pupils next **Tuesday, 14th January 2020.**

In school we will be running, with the Smallpeice Trust, an interactive workshop to introduce pupils to the exciting world of STEM. The event entitled *Sphero and Rocket* will involve pupils' designing, building and launching a rocket!

The day is designed to complement the national curriculum in science, technology and maths by demonstrating their link to the wider world and enhancing the pupils' understanding and aptitude for problem-solving, creativity, design and engineering.

I hope that this will prove to be an enjoyable day for the pupils.

Yours sincerely

Matt Hall
Assistant Headteacher
