"Loving and Learning together."

Summer Reading Challenge 2024

Dear Parents/Carers,

All of our pupils are invited to take part in the Summer Reading Challenge over the holidays. If your child would like to join in, you can register online at the following website: https://summerreadingchallenge.org.uk/. It is also possible to register at your local library.

As you may be aware, the aim of the challenge is to promote a love of reading and to encourage pupils to keep on reading over the summer holidays. Pupils are invited to follow their interests and read a variety of different texts such as novels, newsletters, biographies and autobiographies, short stories and so on. They can even take part in the challenge by listening to audiobooks.

We run a competition in school in support of the challenge. If your child/children would like to take part in this they should use the attached sheet to record their reads over the summer – please initial each one. We will be awarding prizes in each year group for pupils who join in and show a steady commitment to reading during the break. To be in with a chance to win, pupils should hand the completed form to their form tutor by the end of the first week back.

We would like to wish you all an enjoyable holiday.

Yours sincerely,

Ms. Simon

Head of English
