Dear Pupils,

We are thrilled to announce an exciting opportunity for you to contribute to the shaping of our trust's new identity. As we transition to our new name, Innovate2Educate Partnership, we are seeking your creative input to help us develop a logo that embodies the essence of our new name.

We invite you to send us an image that you believe represents the spirit of innovation and partnership in the context of education. This image can be a photograph, drawing, or painting – the choice is yours! We encourage you to think creatively and share your unique perspective on how innovation and partnership can be visually represented.

To submit your image, please send it to us via email at [office@uttlit.com](mailto:office@uttlit.com) or by post to:

Bramshall Meadows  
Iverson Way  
Uttoxeter, Staffs  
ST145BF

The deadline for submissions is Friday, 28th June 2024. We kindly ask that you ensure your entries reach us by this date to be considered.

Once we have received all the submissions, we will carefully review and select three ideas that best capture the vision of Innovate2Educate Partnership. These selected concepts will then be shared with our marketing company, who will work on refining and developing them into a final logo design.

We are incredibly excited to see the creativity and imagination that you will bring to this project. Your participation is invaluable, and we look forward to receiving your innovative submissions.

Thank you for your dedication and support as we embark on this new chapter together.

Best regards,

K. Rochester
