

Tuesday 17<sup>th</sup> September 2024

Dear Parents/Carers,

### **Spelling Shed for KS2 Pupils**

We use Spelling Shed in our KS2 classes to support our pupils to retain spelling patterns and rules. As part of their weekly English homework, pupils should log in and complete their set assignments (interactive spelling games).

Pupils should log in with their details at: <https://play.spellingshed.com>

Please note that your child’s login details are available in their reading diary.

Teachers will demonstrate how to use Spelling Shed in class before setting any homework. For further information, a user guide is available in the English section of our website.

Please continue to look at Arbor every week for details on all of the homework that has been set for English. If you have not received your child’s login details, reading diary or if you have questions about accessing Spelling Shed – please contact your child’s English teacher for help and support.

Yours sincerely

Ms. F. Simon  
**Head of English**
